## Lord Hear Our Prayer...

- Joy asks for prayers for **Ainsley**, 19-year old daughter of a dear friend, diagnosed with B Cell Acute Lymphoblastic Lymphoma.
- Prayers for **Madison and Brook** that their transition back home be safe and healing.
- Prayers for **Daniel** starting a new job tomorrow.
- Nancy B. asks for prayers of healing for her friend **Phyllis** who is in the hospital.
- Prayers for **Bob and Dixie D.** as Bob is having complications related to his cancer battle.
- Prayers of healing for **Mark M.**

## *Control*

Glorifying and enjoying me is a higher priority than maintaining a tidy, structured life. Your heart resonates with this truth, but in practice, you usually strive to keep things under control. I read your thoughts with perfect accuracy, so I know how easily you lose perspective. When “order” becomes your focus, you often try to enlist My help in getting control of your circumstances.

Instead of wasting your energy on an impossible task, endeavor to celebrate your relationship with me. Learn to *walk more consistently in the Light of My Presence.*

**BE UPLIFTED**

From “Jesus Lives” by Lucinda Secret McDowell

## **A moment to be still...**

You can find that here!

In the midst of life's craziness and strife

A moment to relax, to breath and just be

You can find that here!

Sit and have a chat

With someone or self

God is right here

You can find that here!

Come to the garden or come to the well

Walk some with nature or just sit and be still

Take a deep breath

Set your worries aside

Center yourself

You can find that here...

You can find that quiet place to just take a break from the stress and hassles of life here in our prayer room and garden. You are welcome to come, any time that the church is open, to take a moment, sit and relax... relax...breath and know... God is here.

### **Food Pantry**

For the month of March, please bring bars of bath soap. Thank you.
