Worship

I am the sun of righteousness, gloriously brilliant and worthy of all adoration. There is *healing in My wings and My beams* of Glory-Light. Wait with me while My healing Presence shines brightly upon and within you. Open your soul to receive the full spectrum of these Glory-beams. Let My living Light energize you so bountifully that you go out from this waiting time *like a calf released from its stall, leaping for Joy!*

BE UPLIFTED

From "Jesus Lives" by Lucinda Secrest McDowell

The danger of assumptions

How often have you listened to the words a person says and failed to take into account the “way” they used those words or patterns of speech? It can lead to misunderstandings and misunderstandings very often lead to hurt feelings, dismay and anger.

We all need to remember that we come from different places, cultures, times and ways of being. It is very human to believe that everyone means exactly what they say, in the way we understand it...(wasn't that confusing!?). But to be sure, clarify if what you heard (and repeat it in your own way) is what was meant. Please do not let words lead to the misunderstandings that cause pain.

Young at Heart

July 15th is the next scheduled Young at Heart. As of today we do not have anything planned. Recognizing that restaurants are struggling to insure enough wait staff and cooks to cover regular patrons, it is a bit harder to find a spot than it was two years ago. If I do not have a host and a place to announce by this Sunday we will simply move on to the August Young at Heart (August 19th). No worries. If you have found a place that will serve up to 20 at one time (with reservations in place and allowing for separate checks) please let me know. Some to consider: Salt Grass, Southern Recipe, Macaroni Grill and the list goes on...

COOL BEANS YOGA: every Tuesday and Thursday from 6-7 pm

We are a fairly athletic yoga group who practice integrating the body, mind, and breath. We have many different levels in the class and everyone modifies as they need; no experience is needed and everyone is welcome!

We try very hard never to cancel so when the instructor is away, members of the class participate in leading.

In order to follow Jesus and worship God: We will live and tell the good news of Jesus Christ in all we do; we will serve our neighbors; and we will minister to our fellow Christians.
